Living

LAICA

Founded in Vicenza in 1974 by Moretto's family, LAICA is an Italian company specialized in the production of small appliances for people's health and well-being and filtration systems for the treatment of domestic water.

Mission:

LAICA is committed to offering functional products that support people's everyday lives.

Vision:

LAICA would like to design innovative products which provide satisfaction and gratification of consumers' desires, with respect for the enviroment and for the future.

HI5000
Air purifier

- The air purifier improves the quality of the air that is breathed inside a room
- HEPA filter with activated carbons: mechanically retains air impurities (dust, mould, mites, smoke, pollen, bacteria, etc.), absorbing unpleasant odours
- The plasma generator, thanks to the production of ions, captures the pollutants and impurities in the air
- Purifies the air in a room up to 55 m^3
- Low consumption: just 25 W

MADE IN ITALY

MAX air flow 42 m^3/h

Max volume 55 m^3

Power consumption: 25W

HEPA filter life: approx. 2000 hours

Mains powered

33.2 x 11.6 x 24.7 cm
